

# Exclusive Member Discounts

Dear Member,

We are committed to ensuring that you get the most value from your membership to a Local Construction Association in the BestBidz Network. Through our alliance with Reed Construction Data, we are excited to offer these exclusive discounts to our members.

Daily Commercial News (DCN), Ontario's only daily construction newspaper, has been the authoritative voice of the industry for 85 years. DCN delivers comprehensive coverage of construction news, project leads and tender information in print and digital formats to construction owners, architects, engineers, contractors and suppliers.

**30% OFF – New Subscription**  
**20% OFF – Subscription Renewal**  
**10% OFF – Display Advertising**

Building Reports delivers timely, accurate project leads, so subscribers can track projects from concept to completion in their preferred format: email, fax, or online with plans & specs. With a team of 25 full-time researchers, Reed maintains a database of 45,000+ active projects by soliciting project leads from 35,000+ construction professionals.

**20% OFF – Building Reports**  
**20% OFF – Reed Insight**

CanaData's team of trusted economists provides rich insights and analysis of construction industry trends in Canada through monthly construction starts reports, construction cost indices (labour & material), and construction industry forecasts. Once a year, Canada's top economists gather in Toronto to summarize the year and forecast the next year.

**30% OFF – CanaData Products**  
**30% OFF – CanaData Annual Conference**

RSMeans has provided accurate, up-to-date cost data for more than 70 years to help construction professionals everywhere create complete and accurate estimates, validate construction costs, perform quick feasibility checks, and compare costs in different locations. RSMeans offers 19 specialized cost data titles in book, online and CD formats.

**10% OFF – RSMeans Titles**

Some conditions apply. Contact Reed at [salescanada@reedbusiness.com](mailto:salescanada@reedbusiness.com) to take advantage of these great discounts today! Don't forget to mention your Local Construction Association membership.

Best regards,

The BestBidz Team

Improve planning with a detailed view of historical data, projections and five-year forecast based on actual project information.

- Analyze market trends
- Pinpoint market opportunities
- Measure and set sales targets

### Analyze

Get a 360 degree view of the market, based on searchable specs, plans and addenda.

- Find both your specification share and your competitors'
- Identify high-value targets to maximize campaign success
- Explore new opportunities for potential growth

### Why Reed?

Reed is the only data provider with the combination of the strongest Canadian coverage available and true national U.S. coverage. We are also in strategic alliance with local construction associations across Canada, which means we track more projects from the earliest source of information – owners and architects.

We fully digitize all documents, including plans and specs, giving you access to product need much earlier in the project cycle. From our dedicated source specialists to the latest technologies, Reed uses all possible resources to get you the most accurate, dependable project information available.
